Visionary, Pemba Sherpa, knew when he began his career in the United States he wanted to share his dream with others from his native village of Sengma in the Everest region of Nepal.

Today, 95% of the Sherpa Chai staff come from the hillside village and share their unique culture, heritage, and love for chai.

PRODUCT HIGHLIGHTS

Traditional Sherpa Chai is the same recipe Pemba's mom made for him each morning.

Unsweetened Traditional Sherpa Chai is the same recipe as our Traditional without the sugar.

Decaf Sherpa Chai offers the same great taste without the caffeine.

Spicy Sherpa Chai offers an extra kick to the Traditional recipe with a 60% increase in spices.

Turmeric Ginger is made with fresh pressed turmeric and ginger and features the perfect flavor profile while providing the natural antioxidants and anti-inflammatory benefits.

Honey Vanilla Sherpa Chai is an American-inspired chai flavor that features the sweet taste of Highlands Honey sourced from Boulder, CO and pure vanilla that delights all palates.
